

Martha's Song was developed in honor of a special lady - Martha Parker - who willingly donated hundreds of hours of time to help the citizens of her community going through cancer. The purpose of Martha's Song is to continue the legacy of offering hope and compassion to cancer patients in Robertson County by lessening the burden of out of pocket costs for cancer needs not covered by insurance.

As of January, 2020, Martha's Song has donated \$142,524 to 380 Robertson County residents with cancer.
